**Tabla SAT-IA-011 Código Adicional 1**

Debido a que la tabla es muy extensa se presentará en un documento adicional el cual puede obtenerse a través de la página WEB de SAT.

**Tabla SAT-IA-012 Código Adicional 2**

No se han definido por parte de la Intendencia de Aduanas productos que requieran un código adicional 2, por lo que la tabla se definirá cuando el servicio aduanero lo considere oportuno, publicándose en la página Web de SAT para que se encuentre a disposición del declarante.

## Tablas Internacionales

## Definiciones

- **UN/EDIFACT:** United Nations Electronic Data Interchange for Administration, Commerce and Transport, es el conjunto de estándares acordados internacionalmente, directorios y pautas para el Intercambio electrónico de data estructurada y en particular aquella relativa al comercio de bienes y servicios entre sistemas computarizados independientes. Las reglas son aprobadas y publicadas por el UN/ECE en el UNTID (United Nations Trade Data Interchange Directory) y son mantenidos por procedimientos establecidos.
- **UN/CEFACT:** United Nations Centre for Trade Facilitation and Electronic Business, es el Centro para la Facilitación de los Negocios y el Comercio Electrónico, constituido por la Naciones Unidas, en el que participan los Estados Miembros, organizaciones intergubernamentales, sectores y asociaciones de la Industria, reconocido por el Consejo Económico y Social de las Naciones Unidas (ECOSOC). Su principal objetivo es contribuir y ayudar a desarrollar recomendaciones y estándares que faciliten los negocios.
- **ISO:** ISO (Internacional Organization for Standardization): La Organización Internacional para la Estandarización es una federación mundial de los cuerpos nacionales de estándares de más de 140 países. Es una organización no gubernamental que tiene como misión promover el desarrollo de estándares y actividades relacionadas, con vista a facilitar el intercambio de bienes y servicios, y la cooperación, en las esferas de la actividad intelectual, científica, tecnológica y económica.
